

Naturally good !

Originally, Guapa was all about fruit. A lot of fruit and just as many hours spent inventing the best combinations for the most original and tasty recipes. We also had a crazy dream: be an alternative to traditional fast-foods by offering quality, balanced, tasty and affordable products.

Take care of yourself while enjoying tasty and natural fresh juices. Together with our team, we take up this challenge every day.

Next to our fruit juices and smoothies, you will also find delicious and "home-made" meals, salads, sandwiches and deserts in some of our stores.

All our products are freshly made in our kitchen, using the best quality and freshest ingredients, and filled with a lot of love and passion !

Guapa is natural and delicious !

An apple a day keeps the doctor away

It's no secret: fruits and vegetables are essential to a balanced diet. Food specialists recommend 5 to 10 portions of fruits & veggies a day to prevent diseases and to remain full of energy. You think this is easier said than done ? Try Guapa !

Guapa brings a new natural way to eat fruits.

Our juices & smoothies are made to order, prepared in front of you (so you can see all the good ingredients we put in it) and are 100% natural. This is the convenient & fun way to get your daily dose of vitamins & fibers. Guapa drinks are free of added sugar & additives: deliciously natural !
